PROJECTS

DAY 1 - Monday 25 September 2023 - Reina Sofía Museum

8:00 - 9:00 Registration and welcome coffee - Vestibulo

9:00 - 9:30 Welcome session - Main Auditorium

Cristina González, Spanish Foundation for Science & Technology

Inge Van Nieuwerburgh, OpenAIRE

Raquel Yotti, Spanish Ministry for Science and Innovation

9:30 - 11:30 Keynote speeches - Main Auditorium

ANA MARÍA CETTO

Professor at Instituto de Física, Universidad Nacional Autónoma de México (UNAM) and Chair of the UNESCO Global Open Science Steering Committee

Open Science: An evolving ecosystem

MICHAEL ARENTOFT

Head of Unit, European Commission, DG Research & Innovation, Open Science

Co-creating enablers for practicing open science - the EC perspective

Moderator:

Inge Van Nieuwerburgh, Chair of the OpenAIRE Executive Board

11:30 - 12:00 Coffee break - Vestibulo

12:00 - 13:15 Panel discussion - Main Auditorium

Transforming Research Assessment for Next Generations

Panelists: **Sarah de Rijcke**, **Manuel Franco**, **Yensi Flores**, **Pablo Vommaro**

Moderator: **Pilar Rico-Castro**

13:15 - 14:15 Lunch break - Vestibulo

14:15 - 16:15 Parallel workshops

Main Auditorium

Monitoring Open Science in the context of incentives and rewards for Open Science

Organisers: OpenAIRE, Athena Research and Innovation Center, Open Citations, Centro Nazionale di Ricerca, CNR, Technopolis Group, University of Minho, University of Ghent, CWTS, Leiden University

Auditorium 200

Digital Skills for FAIR and Responsible Open Science: Co-creating the Content, Structure and Pathways

Organisers: GARR, University of Edinburgh, Technische Universität Wien, Technische Universiteit Delft, Ss. Cyril and Methodius University in Skopje, Aarhus University, University of Minho, Université Paris Cité, OpenAIRE, Charles III University of Madrid, Graz University of Technology, Dutch Techcentre for Life Sciences, Learning Planet Institute

Sala Nouvel

UNESCO-LIBER hands-on workshop on adopting, adapting and taking advantage of the open science Recommendation toolkit

Organisers: LIBER Europe, UNESCO

16:15 - 16:45 Coffee break - Vestibulo

16:45 - 17:45 Poster session - Sala Nouvel

17:45 Welcome reception - Sala Nouvel

DAY 2 - Tuesday 26 September 2023 - Reina Sofía Museum

9:00 - 9:05 Welcome address - Main Auditorium

Immaculada Aguilar Náchter, General Director, Spanish Foundation for Science & Technology

9:05 - 10:50 Panel discussion - Main Auditorium

AI with and for Open Science

Panelists: **Haris Papageorgiou, Saikiran Chandha, Kaylin Bugbee**

Moderator: **Natalia Manola**

10:50 - 11:15 Coffee break - Vestibulo

11:15 - 13:15 Parallel workshops

Main Auditorium

Open Science Knowledge Graphs: Transforming the Way we Manage, Explore, and Analyze Scientific Knowledge

Organisers: OpenAIRE, Athena RC

Auditorium 200

Implementing open science for all of Europe: ORE and other emerging models

Organisers: Open Research Europe

Sala Nouvel

How Open Science and AI could Scale up the Circular Economy practice

Organisers: VITO, Vlaanderen Circulair, IMEC

13:15 - 14:00 Lunch break - Vestibulo

14:00 - 14:30 Demo session - Sala Nouvel

14:30 - 15:30 Live demonstrations - Sala Nouvel

15:30 - 16:00 Coffee break - Vestibulo

16:00 - 17:30 Parallel sessions (Lightning talks)

Main Auditorium - Session 1

Auditorium 200 - Session 2

Sala Nouvel - Session 3

19:00 Cultural visit - Reina Sofia

20:00 Conference dinner - Nubel restaurant, Reina Sofia Museum

9:00 - 11:00 Parallel workshops / Panel discussion

Auditorium Cátedra Mayor

Panel Discussion: Emerging publishing models

Panelists: **Emanuel Kulczycki, Javier de la Cueva, Didier Tornay**

Moderator: **Vinciane Gaillard**

Sala Ramón y Cajal

What do you need? A collaborative approach to understanding OER requirements across all stakeholders

Organisers: University of Vienna

Sala Ciudad Úbeda

Open Science Game: Open Up Your Research

Organisers: University of Zurich

11:00 - 11:30 Coffee break

11:30 – 13:30 Parallel workshops

Auditorium Cátedra Mayor

Improving the efficiency and quality of institutional OA publishing

Organisers: DIAMAS Project, EIFL, SPARC Europe, cOAlition S, OPERAS

Sala Ramón y Cajal

Beyond DSpace 7: the FAIR Repository Platform (Tutorial)

Organisers: 4Science

Sala Ciudad Úbeda

Navigating data lakes for Earth and marine science: FAIR Data management and Service Interoperability in practice

Organisers: Trust-IT Services, MARIS, Flanders Marine Institute, CNRS, IFREMER, Neovia, CNR

13:30 – 14:00 Closing session – Auditorium Cátedra Mayor

14:00 Lunch
